## tribal elements

24 Bit high quality, multi format loops & sounds  
for house, tech-house & tribal house by  
Ramon Zenker & Harald Aufmuth

AUDIO BOUTIQUE presents  
**TRIBAL ELEMENTS VOL.1**

## DETAILS

After the successful debut of the “Audio Boutique” sample series, also distributed by Resonance Sound, producer dinosaur Ramon Zenker and Harald Aufmuth attend to a subject that will get producers of modern House music highly excited: “Tribal Elements”. Regardless of which club you enter or which shop you visit to search for the hottest new tunes, both the underground and the masses agree upon that Tribal House grooves are in demand like never before and cause euphoria on dancefloors worldwide.

The core of this multi-format Sample Pack is an extensive loop section that leaves no wishes and sounds unfulfilled and furthermore offers a multitude of live played samples. For those who want maximum flexibility, all sounds of the Live loops are also made available individually. In addition there’s a grand collection of organic percussions, a drum section with appropriate snares, claps, cymbals and bassdrums, adequate effects plus a vocal section with original Brazilian vocals & shouts. In short, “Tribal Elements” provides everything you need with just one click to play among the leaders of the Tribal, Tech and Latin House league.

Latest since his worldwide club & chart hit “Samba De Janeiro”, Ramon Zenker is known for not only having an affinity, but the right touch when it comes to combine electronic beats with South-american elements. Though “Tribal Elements” also finds perfect use in underground productions.

Features:

- 24 Bit Quality
- WAV, EXS24, Battery HALion, Kontakt, NN-XT, REX
- Apple Loops included in zip main pack.

## audioboutique tribal elements

24-bit high quality, multi-format loops & sounds for house, techno, & tribal music by Ramon Zenker & Harald Aufmuth

For the production of Audio Boutique, two well-known big names of the scene joined forces to unite their production know-how and share it with others in form of their sample packages:

Ramon Zenker, one of the most experienced German producers, who is achieving remarkable success with his productions in various fields of electronic music since two decades and is highly respected in the underground as well as mainstream circles, and

Harald "Harada" Aufmuth, who's one of the new bright stars at the Minimal & Deep Techno horizon due to his productions on labels such as BluFin, Trapez, Micro.fon, Kiddaz.fm and Leftroom.
