

AUDIO BOUTIQUE presents
ELECTRIC ELEMENTS VOL.2

DETAILS

Sophisticated sounds full of creativity and freshness meet up with unbelievable effects and loops beyond imagination. This pack breaks up with boring standard repertoires and brings your production to a whole new level. No wonder: Two rock-steady heroes have reached deep into their sound boxes for this collection. Ramon Zenker, multi-award winning musical titan and one of the most experienced german producers already hit the bull's eye with countless hits nationally and internationally and across all genres during the last two decades. His partner Harald "Harada" Aufmuth with his current productions on BluFin, Trapez, Micro.fon, Kiddaz.fm and Leftroom is one of the star newcomer in the Minimal and Deep Techno scene.

Whether it's quirky noise effects, uplifting sweeps, funky drums, spacy fragments, unusual hit loops or nostalgic vintage sounds: this pack contains everything to stand out from the crowd. Of course there are also many crunchy drum and bass loops, pumping bass drums and playable bass sounds to create your own bass lines.

Features:

- 20 Atmos
- 48 FX Sounds
- 25 Hi Hat Loops
- 50 Glitch Loops
- 22 Sequencies
- 62 One Shots
- 97 REX2 Loops
- 97 Apple Loops
- Soft Sampler patches for NNXT, Halion, Kontakt4 and EXS24

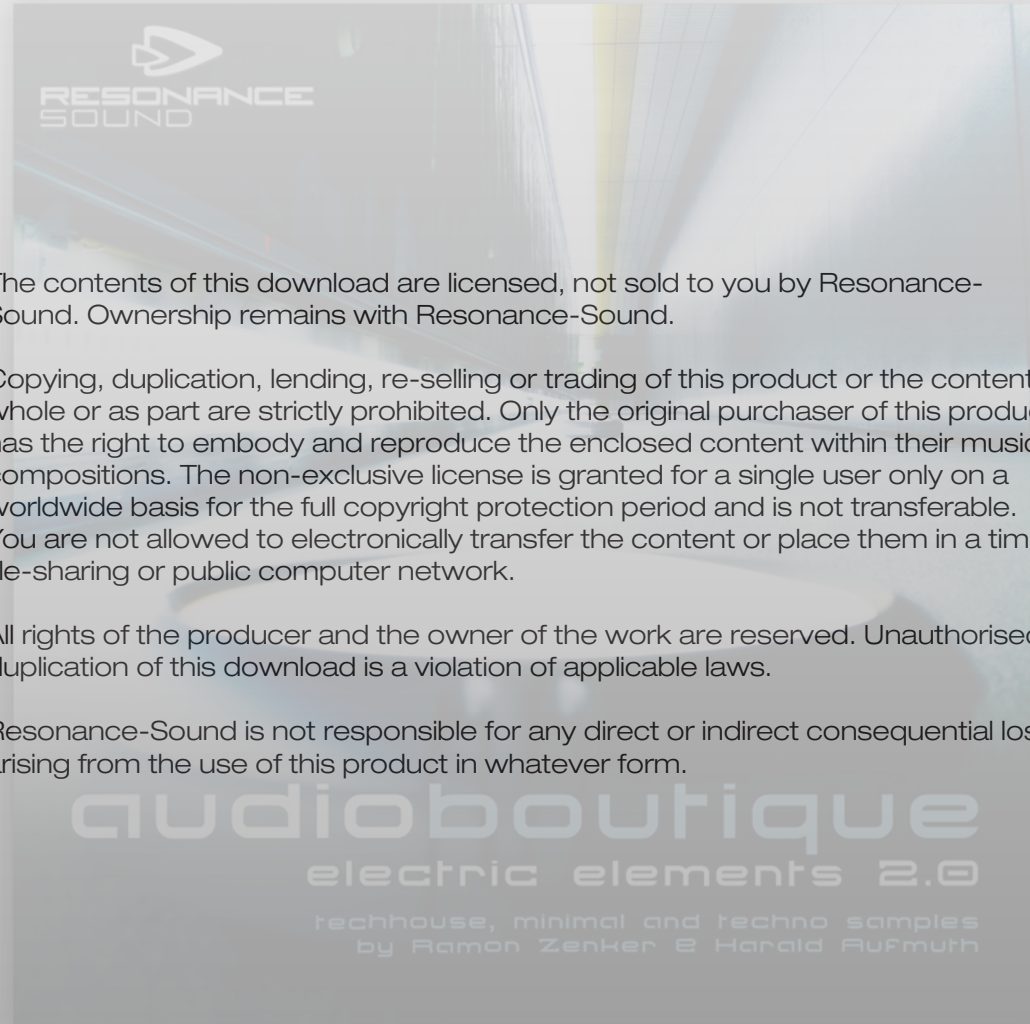

For the production of Audio Boutique, two well-known big names of the scene joined forces to unite their production know-how and share it with others in form of their sample packages:

Ramon Zenker, one of the most experienced German producers, who is achieving remarkable successes with his productions in various fields of electronic music since two decades and is highly respected in the underground as well as mainstream circles, and

Harald "Harada" Aufmuth, who's one of the new bright stars at the Minimal & Deep Techno horizon due to his productions on labels such as BluFin, Trapez, Micro.fon, Kiddaz.fm and Leftroom.

ABOUT RESONANCE-SOUND

The new label RESONANCE SOUND is managed by the award-winning sound design companies SOUNDS OF REVOLUTION (SOR) and CFA-SOUND.

Oliver Schmitt (SOR) and Martin Breuhahn (CFA) came together to combine their knowledge for creating the most up-to-date sample packs, soundsets and virtual instruments. Besides that starting from now also their own labels will be distributed by RESONANCE SOUND.

Already for years it's been their passion to explore all kinds of electronic dance music. If you feel just the same and need sonic quality without any compromises - this is the place to keep on your radar!
