DETAILS

Black Octopus sound presents Supernova - Summer nights melodies, the first installment of many MIDI files in this series. Memorable chord progressions combined with melodic leads and basslines all in MIDI format means you can easily customize, transpose and edit notes to fit into existing songs.

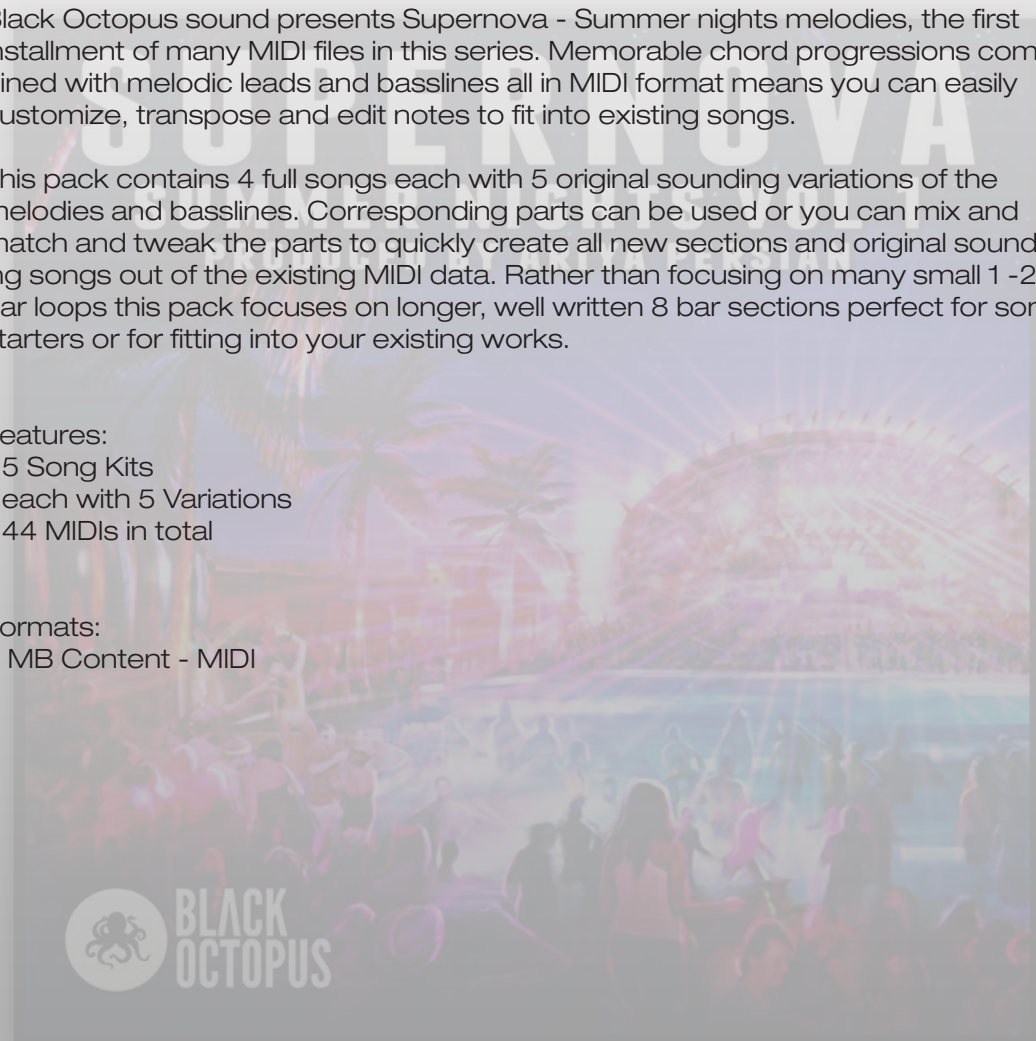

This pack contains 4 full songs each with 5 original sounding variations of the melodies and basslines. Corresponding parts can be used or you can mix and match and tweak the parts to quickly create all new sections and original sounding songs out of the existing MIDI data. Rather than focusing on many small 1-2 bar loops this pack focuses on longer, well written 8 bar sections perfect for song starters or for fitting into your existing works.

Features:

- 5 Song Kits
- each with 5 Variations
- 44 MIDI's in total

Formats:

9 MB Content - MIDI
