

AIYN ZAHEV SOUNDS  
**COLLIDER EDM**

Following the well received Altitude is Aiyin Zahev's second Spire bank: COLLIDER EDM, a creative mesh of the sounds of house, big room & trance.

Using every technique and effect the bank provides a huge amount of bass sounds, think creamy, dirty, raw, distorted, rubbery, noisy and vintage. On top of that the bank is nicely filled out with lush leads & arps, gorgeous pad sounds & just a handful of FX, plucks & techno chords top it off.

All of sounds are finely tweaked, down to the smallest details in Attack timing, EQ settings, effects and modulation to make sure they work for your productions.

MIDI from the audio demo is included (Royalty free) and all presets have intelligent mod-wheel assignments.

Features:

- 73 Spire Presets delivered as an .sbp bank
- All audio-demo MIDI included
- Modwheel Assignments on every preset

Formats:

Reveal Sound Spire v1.0.18

aiyin zahev

Sami Rabia began programming synthesizers over a decade ago, in 2012 he launched his first commercial sound banks under the moniker Aiyin Zahev starting with the release of Serenity for Ultra Analog. It was well received by professionals and enthusiasts alike, and he went on to produce packs for some other popular synths, including DUNE and Sylenth.

Not long after this he began working with developers such as Tone2 and Xils-Lab, and in August 2012 he teamed up with Resonance-Sound.

Sami spends hours tweaking patches, his goals have always been simple: beautiful sounds. Sometimes that means beefy basses, sometimes it means lush pads and serene plucks, sometimes it means complex evolving ambient patches, but he has always looked for those special “uplifting moments” sounds in synths.

## ABOUT RESONANCE SOUND

The new label RESONANCE SOUND is managed by the award-winning sound design companies SOUNDS OF REVOLUTION (SOR) and CFA-SOUND.

Oliver Schmitt (SOR) and Martin Breuhahn (CFA) came together to combine their knowledge for creating the most up-to-date sample packs, soundsets and virtual instruments. Besides that starting from now also their own labels will be distributed by RESONANCE SOUND.

Already for years it's been their passion to explore all kinds of electronic dance music. If you feel just the same and need sonic quality without any compromises - this is the place to keep on your radar!
