For the production of Audio Boutique, two well-known big names of the scene joined forces to unite their production know-how and share it with others in form of their sample packages:

Ramon Zenker, one of the most experienced German producers, who is achieving remarkable successes with his productions in various fields of electronic music since three decades and is highly respected in the underground as well as mainstream circles, and

Harald "Harada" Aufmuth, who's one of the new bright stars at the Minimal & Deep Techno horizon due to his productions on labels such as Kling Klong, Trapez, Leftroom, Monique Musique and Leftroom.
