

RESONANCE SOUND
PSYTRANCE REFLECTION
BY DATACULT

Buckle up, folks, this one's deadly! Taking the latest trend style PSYTRANCE to the ultimate level, DATACULT has crafted this beautiful monster sample pack:

From deep Progressive to mind-boggling Full-on, from subtle sequences and atmos to those big scary sounds that make any dancefloor shiver - it's all in here. To certainly meet everyone's taste, we've included loops, single samples, ready-to-use drum kits for all popular samplers and drum machines, and all of that perfectly named and sorted for instant usability. Inspired by geniuses such as Altruism, Braindrop, Darma, Ectima, Egorythmia, GMO, Kliment, Luna Orbit, Modus, Perfect Stranger, Sensient, Starlab, Talpa, Vini Vici or Zyce you'll find everything you need for the next outstanding Psy or Goa tune right in here.

Progressive Psytrance Dj & Liveact and BMSS Records co-manager DATACULT aka Marco Scherer has been in the Psytrance production scene since 1992, beginning, as many DJs do, by spinning at parties. Adding his first synth into the mix in 1997, he forayed into the world of production and never looked back. He's now numerous albums, singles and EPs into his career, with sounds ranging the gamut from staunch Progressive to his signature Psytrance sound.

Features:

2.25 GB Content in total
1.68 GB 24-bit WAV Content
