PHOBOS
**PSY-TECHNO
SAMPLES VOL.1**

PHOBOS is an electronic music label that has received worldwide support from the most popular DJs in the techno industry. Richie Hawtin played Phobos tracks at numerous reknowned festivals worldwide, such as Time Warp, Awakenings, ADE, dotUp or Boiler Room. Phobos Releases are supported by Dubfire, Maceo Plex, Oliver Huntemann, Alan Fitzpatrick, Carl Cox, Joseph Capriati and many others.

PHOBOS is cordially inviting you to taste Phobos Psy-Techno Samples Vol.1, the eagerly anticipated successor for all technoheads, delivering fresh and crisp material for your next producer session!

If you are planning on taking your production to the next level this is what you're looking for. Phobos Psy-Techno Vol.1 package allows producers to select a huge range of high quality loops, samples and sounds, created with the aim of improving your set up. The sample pack will give you the right attributes to develop your skills.

This sample pack features an extensive collection of drum and synth loops, as well as one-shots and single samples ready to be implemented in your production. Because there is so much quality content on tap, customizing sounds is easy and you could come up with some exciting new ideas by layering samples, using creative effects, and more. This sample pack is ideal for deep tech, minimal tech, and pretty much any music style requiring some forward-thinking sounds that feel modern and crisp, yet warm and dynamic. In addition to the beats, loops, and synth sounds featured on this sample pack, this collection also features some midi keys, which can be perfect as a starting point for new melodies.

We are extremely proud to present Phobos Psy-Techno Samples Vol.1. This pack marks a critical passage to a new way of conceiving the minimal techno sound.
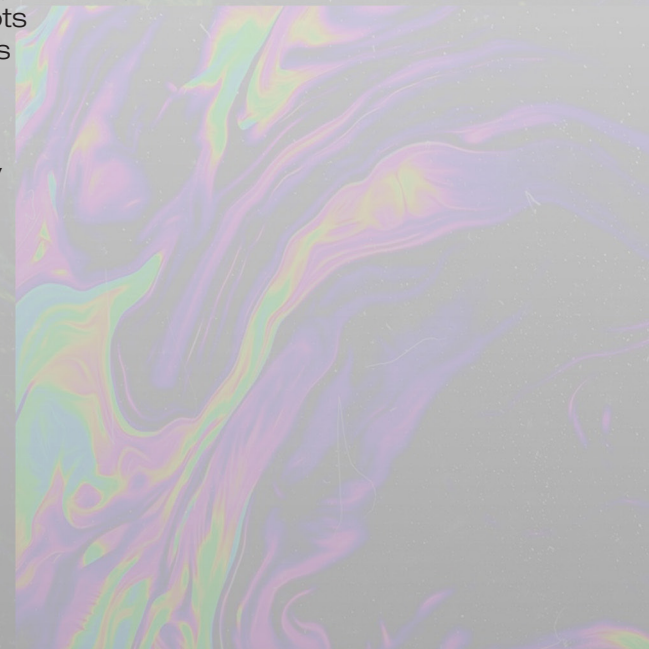

Features:
- 500 MB total content
- 146 Loops (126 BPM)
- 61 One Shots
- 15 MIDI Files

Formats:
– 24-bit WAV
– MIDI Files
