

The label RESONANCE SOUND is managed by the award-winning sound design companies SOUNDS OF REVOLUTION (SOR) and CFA-SOUND.

Oliver Schmitt (SOR) and Martin Breuhahn (CFA) came together to combine their knowledge for creating the most up-to-date sample packs, soundsets, and virtual instruments. Besides that starting from now also their own labels will be distributed by RESONANCE SOUND.

Already for years, it's been their passion to explore all kinds of electronic dance music. If you feel just the same and need sonic quality without any compromises – this is the place to keep on your radar!

Got any questions about their work, or about sampling/sound design in general? They truly care about your musical needs.
