

**AUDIO BOUTIQUE
EDM & BIG ROOM**

Alright, admit it: you're sick of browsing all the boutiques for christmas presents. But, no need to worry: we got the perfect antidote! Resonance Sound brings you a whole bunch of Audio Boutique's latest construction kits almost as commercial as christmas - but delivering way more bass, punch, epic drops and some sweet little presets for Massive, Sylenth and Spire.

In case that didn't make you feel all merry yet, you might wanna enjoy some intriguing facts about what's inside the package: 10 construction kits (most of them including a break and a drop!), covering various EDM styles such as Progressive House and Big Room, with 20 badass kicks and reverb-snare hits (ready for popular samplers, of course), 30 vocal shouts to spice up your tune and so much more!

Probably time to ho-ho-hop in your studio and get it done!

Features:

- 1,52 GB Content
- 10 Construction Kits incl. Loops, MIDI and Stems
- 340 Samples in total
- 43 MIDI Files

The image shows the cover of an 'audioboutique' sample package. At the top left is the 'RESONANCE SOUND' logo. To the right are three icons: a spectrum analyzer, a clock, and a waveform labeled 'wav'. The word 'audioboutique' is written in a stylized font, with 'audio' in black and 'boutique' in blue. Below this, there is a paragraph of text describing the production team. At the bottom, it says '10 EPIC TRACK KITS'. The background features a large, faint 'Audioboutique' watermark and a 'BIG ROOM' watermark.

audioboutique

For the production of Audio Boutique, two well-known big names of the scene joined forces to unite their production know-how and share it with others in form of their sample packages:

Ramon Zenker, one of the most experienced German producers, who is achieving remarkable successes with his productions in various fields of electronic music since two decades and is highly respected in the underground as well as mainstream circles, and

Harald "Harada" Aufmuth, who's one of the new bright stars at the Minimal & Deep Techno horizon due to his productions on labels such as BluFin, Trapez, Micro.fon, Kiddaz.fm and Leftroom.
